Description

Graceful and spacious, the Sunseeker 80 Yacht enjoys the same attention to detail and scope for personalization as the other graceful models in this range. This vessel is a Four Stateroom with the Master aft, VIP forward, and the twin Guest Staterooms to port and starboard. The twin beds in the Guest Staterooms slide together to create doubles if desired. Crew accommodations are situated in the stern. With a cruising speed of 24 knots, range is around 350 nautical miles, but at full throttle the yacht will provide a comfortable 28-30 knots. She has a large flybridge providing separate helm position, ample seating and sunbathing space while the large aft submersible bathing platform provides plenty of space to carry a tender or jet skis.
