Description

The 48' Fairline "Fly Buoy" enters the market in near perfect condition. The list of maintenance and upgrades completed on this yacht over the course of the last 9 months is exhaustive and includes bottom paint, a new Bimini top, and almost everything in between. Her Volvo Penta engines have only 615 hours and have had their annual service completed in September 2021.

The Phantom 48 from Fairline offers a well thought out 3-stateroom, 2-head layout, lending itself to comfortable living aboard. The full-beam midship master features an en-suite head and ample windows, flooding the space with light. There is a forward VIP cabin and a starboard cabin with pullman bunks for guests to enjoy. Much of the upholstery and soft goods in the staterooms have been recently replaced along with carpeting throughout the boat. In addition to guest accommodations, there is a crew cabin in the transom, though "Fly Buoy" could be easily owner operated. Equipped with both bow and stern thrusters, docking "Fly Buoy" couldn't be easier.

Overview

The Phantom 48 is the latest in a long line of widely admired family cruising boats from Fairline. With contemporary, practical design features and thoughtful use of space this is the perfect Bahamas boat or weekend cruiser. Her impressively spacious flybridge has all the touches you'd expect from a boat with this outstanding pedigree, yet once inside the cool, contemporary interior. With its sophisticated American white oak finish, you'll be amazed by how spacious this 48-footer really is. The class-leading master stateroom with its en suite bathroom is placed amidships, allowing the enormous, panoramic hull windows to flood the space with light. The forward stateroom too, provides luxurious accommodation and the starboard cabin has twin Pullman berths that fold away to provide unprecedented flexibility and floor space. The Phantom 48 is the perfect boat for anyone who enjoys sharing their love of luxurious high performance cruising with friends and family.
