

## 2007 President

### 87' - Magical Days

Magical Days...

- Power - Used - Motor Yachts
- Diesel Fuel
- Fiberglass Hull
- Fort Lauderdale Florida United States

Vessel ID# 2783535

\$2,549,000 USD  
 €2,272,978 Euros \$3,228,945 CAD

## Description

---

Magical Days has benefitted from significant upgrades since 2019 and textbook maintenance throughout her life. In 2021 alone, over \$400,000 was spent to ensure she is standing tall and ready to cruise to any destination you desire.

### Recent Upgrades & Improvements:

- Main engines overhauled (2021) [\*Detailed project report available to serious parties]
- Hot Tub added to bow on main deck (2019)
- New teak on Swim Platform (2018)
- New Navigation Display Screens in Wheelhouse; two (2) Beetrionics LED 19' displays (19VG7M)
- New Miele dishwasher installed in galley (2021)
- New Miele washer & dryer (2021)
- New Kalamera stainless steel beverage fridge installed in flybridge (2021)
- New custom windows installed in galley and wheelhouse x 14 windows (2021)
- New Pepwave Max Transit wifi/cellular system installed with 2x new cellular antennas (2018)
- New Kahlenberg (model KC-6NC) air compressor (2020)
- Both Victron 24v inverter / chargers replaced (2020)
- New 24v AGM house & starting batteries (2020)
- 3 x flybridge Stidd helm chairs reupholstered (2020)
- All interior & exterior lights converted to LED (2019)
- New raw water pump for a/c system (2021)
- New Trac windlass hydraulic valve block manifold installed (2019)
- New galvanized anchor chain - 300' each side (2019)
- Shaft seals replaced and 2 spare seals in retainer on each shaft (2019)
- Cutlass bearings replaced (2019)
- New salon furniture (2020)
- New carpet (2019)

Built in 2007 and refit in 2018 and 2021 with over \$400,000 spent in 2021 alone, "Magical Days" is an extraordinary tri-deck yacht. The volume on board this 87' motoryacht compares to that of a typical 100-foot yacht. With all of the additional volume, she offers amenities usually found on much larger boats. Her 4-stateroom, 5-head layout also offers space for 2 crew members, a main salon and skylounge, walk-in chef's pantry, hot tub, and numerous options for al fresco dining, sun bathing, or simply enjoying the view.

From a captain's perspective, "Magical Days" is an exceptionally user-friendly yacht. Her keel is lead filled, providing increased stability at anchor. Additionally, the keel extends below the props, providing for peace-of-mind when transiting shallow waters, like those of the Bahamas. Mechanically speaking, her MTU Engines have benefitted from an overhaul in 2021, and have logged just 200 hours since. All other systems onboard have been similarly maintained with an open checkbook.

### Notable Features:

- Massive volume for a yacht of her size (122 Gross Tons)
- Four (4) ensuite staterooms with the ability to sleep 10
- Large galley with ample refrigerator space and walk in pantry
- Bow hot tub with 270 degree views
- Redundant generators (never has the captain had to run both at the same time)
- Load shedding power management
- Seamless generator to shore power transition
- Day head in the sky lounge
- Redundant hydraulic PTOs from both main engine gearboxes to power windless, thrusters, and stabilizers
- Trailing pumps on both transmissions, allowing for long range travel on one motor to increase fuel efficiency by 30-35%

Please contact us to schedule a viewing of "Magical Days," in Fort Lauderdale, FL, fresh off her summertime stint in New England.

## Data Sheet

Category: Motor Yachts  
 Type: Power - Used

- Engine Type: Inboard
- Power HP: 1500.00
- Power KW: 0.00
- Fuel Type: Diesel
- Engine Hours: 3992.00

## Full Details

### Boarding

When boarding MAGICAL DAYS you have options; either from midship, Aft Deck boarding gates or the oversized swim platform with molded stairs to Aft Deck.

### AFT Deck

Aft Deck onboard "Magical Days" offers an ideal area to receive guests. The space features a large teak table with room for up to 10 people to enjoy alfresco dining. In addition, a convenient wet bar with both a sink and undercounter refrigerator is located to port of the sliding glass stainless steel doors. The aft deck also features both port and starboard wing stations from which the captain can easily dock the boat.

- Teak over fiberglass decking
- Starboard side to the swim platform
- Port & starboard aft wing stations
- C shaped settee w/storage below

- Generous storage lockers
- Port & starboard boarding gates
- Varnished cap rail
- Aft Deck bar w/U Line drink fridge, sink & storage cabinet
- Overhead stainless steel grab rails
- LED lighting
- Overhead stereo speakers
- Counterbalanced sliding stainless steel entry door w/electric eye to the salon
- Teak steps to boat deck w/step lights
- Crew/Engine Room access to starboard
- Aft Deck camera
- 24" Vizio LED TV in custom cabinet above the wet bar

## Side Decks

From the aft deck you can continue forward on the full walkaround side decks to the foredeck. The side decks offer generous width for easy transit from stern to bow and overhead LED lighting. Boarding ladders may be deployed from the side decks on either side to allow easy boarding regardless of the dock.

- Port & starboard wing doors
- Teak over fiberglass decking
- LED lighting
- Varnished cap rail w/stainless steel handrail
- Port & starboard fueling fills for both main tanks from either side
- Dedicated storage for a 7 step Marquipt tide ride boarding stair
- Midship port & starboard access doors
- Custom covers for varnished cap rail

## Foredeck

One of the most notable features on "Magical Days" is found on her foredeck. Custom fabricated in 2019, the space now features a Nordic hot tub in place of the round seating area. Or, if desired, a hard spa cover allows this area to convert into an elevated sun pad lounge. This project was expertly executed with the process fully documented.

- Teak over fiberglass deck
- Four large lockers for deck storage
- Varnish cap rail w/stainless steel handrail
- Maxwell 3500 above deck horizontal dual gypsy chain windlass w/capstan on top, hydraulics replaced 2019
- (2) Stainless steel thru bow anchor chutes
- (3) Foot switches for windlass
- (2) 150 Lb. stainless steel plow anchors w/300' of ½" chain each (chain new 2019)
- Chain management system
- Anchor locker washdown spigot w/hose
- (2) Deck access chain lockers
- Low level courtesy lighting at Jacuzzi steps & side decks
- Overhead LED lights at forward brow
- Stereo speakers at bow
- Port & starboard plugin engine controls

## Main Salon

The Main Salon is accessed from the Aft Deck through electrically operated custom stainless steel doors. Upon entering the Salon, the

beautiful joinery and open layout are most noticeable. Massive windows allow an abundance of natural light to flood the space. An oversized sofa is to port with two accent chairs to starboard. Just forward of the seating area is a console housing a pop up 42" TV and separating the salon from the dining area.

- Two upholstered swivel barrel chairs with a cherry end table featuring storage
- Upholstered three cushion sofa and two end tables
- Oval marble topped TV cabinet with a pop up 42" LG LED TV and storage
- Bose five channel sound system
- Ten overhead dimmable lights as well as perimeter rope lighting and LED fixtures
- Cork wall coverings mixed with cherry and birdseye maple joinery
- (3) Chery end table with storage and lamps
- Large windows with roman shades
- Hidden soffit A/C ducts
- LED Lighting
- New carpet (2019)

## Dining Salon

The dining area onboard "Magical Days" features a custom cherry and maple dining table with seating for up to eight. A large bar area to starboard features ample storage and a Sub Zero glass front wine cooler. Forward of the dining area, an additional cabinet allows for additional storage space as well as storage for stemware.

- Two zone glass door Sub Zero wine cooler
- Large windows
- Roam shades
- In the Dining Salon you will find the yachts main deck entertainment storage center mounted in a rack the equipment includes:
- Yamaha AV receiver
- Episode AMP
- Sony Blue Ray player
- Sirius Sat radio receiver
- Apple TV
- Direct TV receiver
- new Bluetooth access point for music from a phone
- Trip Light Smartpro UPS system
- Access to the sky lounge

## Galley

A fully equipped chef's galley is located forward of the dining area. The space features all of the amenities necessary for preparing culinary delights, and storage for provisions well beyond what you would find on an ordinary yacht of this size. Refrigerated space in the galley includes twin Sub Zero refrigerators with 2 freezer drawers each. An additional walk-in pantry for dry provisions is to starboard. This space was originally fitted as a day head, and can be converted back easily, as all of the fittings are in storage. A granite topped breakfast bar with stools complete the space and make for what is surely the best seat in the house with 270 degree views. From the galley, the port or starboard side decks may be accessed via or you may continue forward down the staircase to access the accommodation deck.

- (2) Sub Zero refrigerators w/(2) freezer drawers each finished to blend in to the aft bulkhead
- U-Line Ice maker in pantry
- Maple & cherry floor
- Granite countertops, with raised breakfast bar
- (3) Cherry swivel barstool w/ footrests
- Port and starboard doors to the side decks
- 15" Flip down LCD TV from overhead

- Under mount stainless steel sink
- Miele full size oven
- NEW Miele dishwasher installed 2020
- Kitchen Aid four burner cooktop
- Miele stainless steel exhaust hood
- Kenmore stainless steel microwave
- Garbage disposal
- LED overhead lights
- Stereo speakers
- Walk in pantry (former location of the day head, this space can be converted back, and all of the equipment is in storage)
- Pullout trash bin

## Companion Way

Stepping down the staircase forward of the galley, you enter the lower foyer. This space leads to all accommodations onboard with the Master Stateroom aft, two guest staterooms to port and starboard, and a VIP stateroom forward. A conveniently located laundry center features a large Miele washer and dryer, new in 2021.

- Carpeted floors
- Cork wallpaper
- LED lighting

## Master Stateroom

Midship on the lower deck is the expansive Master Stateroom. This full-beam ensuite space features a king-sized island berth surrounded by luxurious finishes such as cherry wood joinery, padded headboard, large mirrors, and half cherry columns. Storage space is plentiful here, with a hanging locker, linen closet, and drawers beneath the bed. The ensuite master head to port offers the same level of high-end finishes throughout.

- King sized island berth on the aft bulkhead
- Drawers beneath the bed
- Nightstands with granite countertop
- 40" Samsung LED TV on articulating mount
- Sony Blue Ray player
- Apple TV
- Direct TV HD
- Stereo Speaker
- Cedar hanging locker with automatic lighting
- Linen closet
- Matching port and starboard birds eye maple dressers
- Digital AC controls

The Master Head features cherry wood, marble and beveled mirrored panels, along with rope accent lighting and LED light fixtures.

- Cherry vanity joinery
- Marble countertop
- Under mount sink
- Medicine cabinets
- Head Hunter Royal Flush model
- Tempered glass door and side light
- Ceiling mounted fixture light and exhaust fan

## VIP Stateroom

The VIP stateroom is located forward and features an island queen berth and ensuite head. Cherry cabinetry and hanging lockers provide ample storage within the space.

- Queen berth
- Two hull side birds eye maple shelves serving as nightstands
- Cherry cabinets and shelves
- Either side of the berth features cedar lined hanging locker with automatic lighting
- 40" Samsung wall mounted LED TV with Samsung DVD and Apple TV
- Four directional LED reading lights, seven additional overhead lights, and rope lights
- Two stereo speakers
- Digital AC control

### VIP Head

- Maple and cherry joinery
- Marble countertop
- Undermount sink
- Head Hunter Royal Flush model
- Two beveled edge mirror medicine cabinet door
- Large shower stall with tempered glass door
- Exhaust fan
- An opening stainless steel porthole

## Starboard Guest Stateroom

### Starboard Guest Stateroom

- (2) twin berths
- Cedar lined hanging locker with automatic lighting
- Marble topped nightstand with three drawers
- Porthole with sliding drapes
- 24" TV with Apple TV
- LED lighting,
- Accent lighting behind the crown molding and below the berths
- Reading lights

### Starboard Guest Head

- Cherry and maple joinery
- Head Hunter Royal Flush model toilet
- Medicine cabinet
- Marble top vanity
- Under mount sink
- Large stall shower with frameless glass door
- Wall mounted shower head
- Exhaust fan and overhead light
- LED lighting, rope lighting
- Mirrored ceiling

## Port Guest Stateroom

### Port Guest Stateroom

- (2) twin berths
- Cedar lined hanging locker with automatic lighting
- Marble topped nightstand with three drawers
- Porthole with sliding drapes
- 24" TV with Apple TV
- LED lighting,

### Port Guest Head

- Cherry and maple joinery,
- Head Hunter Royal Flush model toilet
- Medicine cabinet
- Marble top vanity
- Under mount sink
- Large stall shower with frameless glass door
- Wall mounted shower head
- Exhaust fan and overhead light
- LED lighting, rope lighting
- Mirrored ceiling

## Pilothouse

Taking the set of stairs to starboard up from the salon, you will enter the pilothouse and skylounge. The pilothouse offers a full suite of modern electronics and controls for the captain. Visibility from this deck is excellent, and can be enjoyed from one of three helm seats, or from the lounge area just aft.

- MTU electronic engine controls
- MTU electronic engine displays
- Touch screen power management
- Touch screen Delta T Engine Room vent latch controls
- Furuno RD-30 GPS/data multifunction display
- Simrad AP 25 autopilot head
- Maxwell chain counters/windlass controls
- Hynautic trim tab controls
- Trim plane indicator gauge
- 4" Danforth magnetic compass I
- FLIR control panel
- (2) Samsung 16" monitors for radar/plotter/cameras, etc.
- Nobletec navigation software
- Icom M602 VHF w/separate command mic from upper unit
- KVH Tracphone
- Furuno Navnet keyboard tied to Samsung monitor
- Headhunter tank monitoring
- Generator gauge panels w/start/stop switches
- Watermaker remote panel
- Simrad A1 50 AIS system
- Hikvision CCTV recording system with 3 cameras (2 engine room and 1 aft deck)
- A/V equipment for sky lounge located in pilothouse
- Ample storage
- LED lighting
- Red overhead lights for night time navigation

- Port and starboard wing door to the walk around side decks
- Sky lounge day head

## Skylounge

Continuing aft from the helm is the skylounge. This area serves as a great second salon offering an additional entertaining area with stunning views out the large windows. The space is fully equipped for this use with comfortable seating, wet bar, and TV. A day head is also featured on this deck for the convenience of your guests. The aft door opens to the boat deck, a perfect extension of the space on cool summer nights.

- Two leather chairs with ottomans
- 32" Sony LED TV
- Apple TV
- Granite bar
- Under mount stainless steel sink
- Sub Zero refrigerator icemaker combo
- Stainless steel coffee maker
- Pullout trash container
- Bose built in speakers
- LED lighting

## Boat Deck

Exiting the skylounge aft, you will enter the boat deck. Once the 15' RIB tender is launched, this space can transform into a spot to lounge in the sun, or enjoy the stars. A grill is smartly concealed. From this area, staircases lead up to the flybridge or down to the aft deck.

- Non-skid decking
- Steel Head Marine 1500 lb. davit
- Stainless steel safety rail around boat deck
- (2) deck boxes for storage painted to match
- Fiberglass cabinet for Gagenau grill
- Hinged door into sky lounge
- LED Lighting
- EPIRB w/hydrostatic release
- Covered side decks around sky lounge / pilothouse
- Stereo speakers
- Port & starboard plugin engine controls
- Stairs to the aft deck
- Stairs to the flybridge

### Tender on Boat Deck

- Caribe 15' 2012 RIB tender with 70 HP Yamaha 4 stroke outboard
- Ritchie compass
- Depth finder
- West Marine VHF
- Swim ladder
- Anchor & line
- Freshwater shower
- Tender cover

## Flybridge

Stepping up onto the hard-topped flybridge, another beautiful space awaits for alfresco dining. The views from this area are breathtaking, and it is a perfect location to observe the scenery as the captain ushers you to your next destination. Your captain will appreciate the fully equipped helm station with modern electronics and controls.

- New Kalamera stainless steel refrigerator
- LED lighting
- C Shaped settee with high/low teak table
- (3) Stidd helm chairs (refinished 1/20)
- Fully equipped helm station
- Stereo Speakers
- Ample storage lockers
- Danforth 6" compass magnetic
- Newly rebuilt Nauticomp LED navigation display screens (2)
- Helm cover Kahlenberg horn control
- Hardtop w/arch type support aft & stainless steel supports forward
- Non-skid fiberglass decking

## Swim Platform

- Teak over fiberglass Integral swim platform. New teak on platform completed in 2018
- (4) Heavy stainless steel hoop rails
- Port side storage locker with and fresh water hose
- Starboard side storage locker with Glendinning for 100a shore cord
- Compressed air
- Deck shower
- (2) Portholes into Crew Cabin
- Access door into Crew/Engine Area
- Underdeck center storage well
- (2) Large below deck lockers equipped with spare props
- LED lighting

## Engine Room

The engine room and crew quarters are accessed either from the swim platform or down a set of stairs located off the side deck on the starboard side. Once you are in the engine room it is evident that "Magical Days" has benefitted not only from top care, but also been outfitted with the best equipment available.

- Work benches over both generators
- Sea Recovery Aqua Whisper watermaker 1400 GPD (new membranes 2019)
- Head Hunter Tidal Wave waste treatment system
- Alpha Laval fuel centrifuge
- Delta T dampered Engine Room ventilation w/(4) 220 volt blowers
- ABT Trac stabilizer
- (2) Fireboy fire suppression systems
- Redundant PTO's from transmissions for stabilizer system, thrusters and anchor windlass
- Bissell Garage wet/dry vacuum
- Touch screen Delta T fan control system
- (2) CCTV cameras
- Sea Star hydraulic steering system
- Powder coated aluminum diamond plate sole
- Fluorescent AC Engine Room lighting

- Incandescent DC Engine Room lighting
- (3) 60,000 BTU Cruiseair chillers (1 chiller is more than adequate to supply the entire boat in most conditions)
- New Kahlenberg air compressor (2020) with multiple compressed air ports on each deck and in engine room
- Crystal Quest fresh water filtration system
- Ultra violet water purifier for ship's water system
- ABT bow and stern thrusters
- Remote wired docking controls
- 6 Point oil change system
- Overhead rod storage
- Steering & stabilizer cylinders (rebuilt 2019)
- Head Hunter tank sentry for fuel system

## Crew Area

The crew area on "Magical Days" is set up like a studio apartment. In this area there is a queen berth raised to provide tons of storage beneath, a book shelf, cedar lined closet, a crew galley, and an ensuite head. This generously sized and equipped crew quarters will keep even the most discerning crew smiling.

- Queen berth
- Ample storage
- Port holes for natural light
- Bookshelf
- Sony Blue Ray player and Direct TV HD
- Cedar lined closet with automatic light
- Vizio 32" LED TV

Galley:

- Corian countertop
- Under sink mount sink
- Norcold under counter refrigerator
- Kenyon two burner cooktop
- LED lighting
- Stereo speakers

Crew Head:

- Corian countertop
- Under mount sink
- Large medicine cabinet
- Head Hunter Royal Flush toilet
- Large shower stall with frameless glass and wall mounted showerhead
- LED lighting and exhaust overhead
- Opening porthole

## Electrical Equipment

- Atlas Marine Shore power system with TecPower programable PLC
- 12/24 Volt DC electrical system
- 120/240 Volt AC system single phase, 60 HZ
- (2) 33 KW Northern Lights 1800 RPM generator in sound shields
- Charles Iso Boost 1000 transformer
- Full generator gauge panels at Crew Cabin & Pilothouse

- (2) Charles Industries 40 amp 24 volt battery charger
- Charles Industries 60 amp 24 volt battery charger
- Charles Industries 20 amp 12 volt battery charger
- (2) Victron Energy 24 volt 50 amp inverter chargers
- Battery parallel system
- Main electrical/switching panel in Crew Cabin built by Atlas Marine Systems, USA
- (4) 8D engine starting batteries (new 2019)
- (4) 8D house batteries (new 2018)

## Additional Equipment

- (2) Cell phone antennas
- (2) 30" KVH Sat domes
- Viking 8 person life raft w/hydrostatic release
- Revere Offshore 6 person life raft w/hydrostatic release
- Kahlenberg horns
- 4' Furuno open array antenna, 64 mile range
- 4' Nobeltec open array radar, 48 mile range
- Airmar weather station
- Pepwave wifi whole boat wifi system (w/(2) sim cards) w/(2) new antennas
- (2) Spare props
- 100 Amp Glendinning 220 volt starboard side cord reel
- Storage container in Fort Lauderdale containing numerous spares including a spare sink and headhunter toilet removed while converting the main deck day head to pantry in galley

## Fuel Consumption

- Speed/fuel consumption/range:
- Max 19 knots 140 GPH @ 2400 RPM gives a range of 380 miles
- Cruise 14 knots 70 GPH @ 1900 RPM gives a range of 560 miles
- Economical 10 knots 22 GPH @ 1200 RPM gives a range of 1268 miles
- Generators burn 50 gallons per day - per generator

## Captain's Remarks

Her captain enjoys her noteworthy control stations on the aft main deck (both sides) and connection ports on the bridge deck and flybridge for wired remote. Meaning; "you can basically operate the boat from anywhere.. that's a huge benefit in my opinion". -Kyle (Captain)

## Exclusions

Owner and crew personal artwork and personal effects

## Event Information

---

March 24 - 27, 2022  
101 S Flagler Dr, West Palm Beach, FL 33401

## 2022 Palm Beach International Boat Show

101 S Flagler Drive  
West Palm Beach FL 33401 USA  
Start Date: 03/24/2022  
End Date: 03/27/2022

The 36th annual Palm Beach International Boat Show, March 24th-27th will be located along the waterfront and Flagler Drive in Downtown West Palm Beach, FL. The show will feature more than \$1.2 billion worth of yachts and accessories, including hundreds of boats ranging from 8-foot inflatables to super yachts nearly 200 feet in length.

Get outside and enjoy live music and refreshments at the show's famous floating cocktail lounges. Guests are also invited to come by boat and may tie up to free docks located south of the in-water displays.

Elevate your experience in Palm Beach and become a VIP. The Windward VIP Experience is an indoor and outdoor oasis that includes early admission to the show, a premium open bar, hors d'oeuvres, concierge service and much more.
