58' East Bay - Halcyon

- Power - Used - Motor Yachts
- Diesel Fuel
- Fiberglass Hull
- Ft. Lauderdale Florida United States

Zodiac RIB

Vessel ID# 2783667

\$1,650,000 USD
€1,430,970 Euros \$2,058,805 CAD

Description

The Grand Banks East Bay 58 is a highly regarded boat on its own, however the expertly upgraded and customized "Halcyon" stands above her peers in every aspect. As one of only eight Grand Banks East Bay 58s ever built, "Halcyon" features the larger CAT C-30 engines from the builder. She also features the sought after 3-stateroom, galley down configuration which offers the most efficient use of space onboard.

The customization doesn't stop at factory options, though. "Halcyon" was brought to famed Naval Architect C. Raymond Hunt for updates which included modernization of her topside lines and a hull extension which includes a fully integrated swim platform. These updates have

resulted in an increase in performance in both speed and range: she tops out at 36 knots and has an additional 500 gallons of fuel tankage compared to her peers. On the interior, a classically nautical look was crafted by Martha Coolidge Design and features gloss teak and white V-Board throughout. Updates by C. Raymon Hunt and Martha Coolidge have resulted in a Grand Banks East Bay 58 that is simply beyond comparison.

"Halcyon" has been kept in indoor storage for nine months every year and has been in fresh water until her recent arrival in Fort Lauderdale. She has benefited from an experienced and proud owner, and shows in immaculate condition. Contact us today to schedule a viewing of "Halcyon," located in Fort Lauderdale, FL, or see her at the upcoming Fort Lauderdale International Boat Show.

Data Sheet

Category: Motor Yachts	Maximum Speed: 36 Knots	Dry Weight: 96000
Type: Power - Used	Cruise Speed: 29 Knots	Bow Thruster: Yes
Year: 2005	Fuel Type: Diesel	Stern Thruster: Yes
Beam: 17' 8"	Hull Material: Fiberglass	Fuel Tank: 1700 Gallons (6435.2 Liters)
LOA: 63' 5" (19.33 meters)	Hull Shape: Deep Vee	Fresh Water: 280 Gallons (1059.91 Liters)
Draft Max: 5' 4"	Hull Finish: Awlgrip Stars and Stripes	Builder: Grand Banks
Draft Min: 0' 0"	Air Conditioning: Yes	Designer: C. Raymond Hunt
Cabins: 3		Interior Designer: Martha Coolidge
Sleeps: 6		Exterior Color: Awlgrip Stars and Stripes
Full Beam Master: Yes		
Heads: 2
