116' - Hope Floats

Hope Floats 116 Lazzara 2007

- Power - Used - Motor Yachts
- Diesel Fuel
- Fiberglass Hull
- Palm Beach Florida United States

Vessel ID# 2784375

\$4,599,000 USD
€4,100,992 Euros \$5,825,783 CAD

Description

UPGRADES

2021

- All new interior décor including the following 2021
- New custom salon furniture

- New plush lux carpet throughout the salon and staterooms
- New valances
- New salon air handlers & ducts
- New TVs Throughout
- New Control Crestron
- New exterior soft goods (Aft deck, bow & flybridge)
- New XM radio receivers throughout
- Most seacocks replaced
- Fire system certified
- New life rafts

2020

- 3000 hour MTU engine service
- Hydraulic swim platform rebuilt Jetski serviced
- Hydraulics rebuilt
- Shafts & props balances
- Cutlass bearings
- Galley appliances
- New mattresses

KEY FEATURES

\$500,000 in upgrades over the past two years

3000 hour service

Custom furniture throughout

Five stateroom; Master Office converted into four bunk stateroom

Ideal Charter boat; she currently is privately owned and operated

Open Flybridge with hot tub and custom seating

Two Jetskis

Crew maintained

VESSEL DESCRIPTION

This one-of-a-kind 116' Lazzara, built in 2007 has onboard all of the amenities one can expect from a yacht of her size, as well as many custom upgrades. In fact, half a million has been poured into the yacht since 2020. Most recently she has benefitted from a comprehensive interior refit including: new carpeting, and valances, new custom salon furniture, as well as exterior soft goods on her flybridge, bow, and aft deck. Her entertainment systems have been upgraded recently as well with new TVs and XM radio receivers throughout.

"Hope Floats" is different from other Lazzaras of this size and age range in that the master office space has been converted into a fifth stateroom, allowing room for additional friends or family. She can comfortably carry 10 guests, with the option for 12 via pullman bunks in the fifth stateroom. The crew area has also been modified to accommodate up to 5 crew, meaning the level of service onboard will be top-notch.

"Hope Floats" is ready for travel, having just received her 3000 hour service. The yacht sells with her two jet skis, which are conveniently stored on the main deck in the pods. Additionally, her hydraulic swim platform is set up to carry a RIB. The main deck storage for her toys allows for additional relaxation space on the flybridge for enjoying the sun or entertaining guests.

Data Sheet

Category: Motor Yachts

Type: Power - Used

Year: 2007

Beam: 23' 1"

Crew Cabins: 2

Captain's Quarters: Yes

Crew Sleeps: 5

Maximum Speed: 28 Knots

Fuel Tank: 4000 Gallons (15141.64 Liters)

Fresh Water: 600 Gallons (2271.25 Liters)

Holding Tank: 300 Gallons (1135.62 Liters)

LOA: 116' " (35.36 meters)
 Draft Max: 5' 6"
 Cabins: 5
 Sleeps: 12
 Heads: 6

Cruise Speed: 23 Knots
 Fuel Type: Diesel
 Hull Material: Fiberglass

Imported: No
 HIN/IMO: LYC11009J607

Full Details

Main Salon

- *NEW* Carpet
- *NEW* custom oversized L shaped sofa
- Coffee table
- Two (2) end tables
- Two (2) accent chairs
- Coffee table
- Makore cherry storage cabinet
- Makore cherry window mullions
- Makore cherry valance
- Main salon opens to dining area
- Majilite overhead panels with foam backing
- Window treatments
- Stainless steel double curved sliding glass door to aft deck
- Direct and indirect lighting
- Telephone outlet
- Receptacle:120 volt
- Serving bar featuring Makore cherry base with granite top, includes ice maker, refrigerator, wine cooler, and storage for barware and accessories with three (3) bar stools

Dining

- *NEW* glass rectangular dining table with six (6) oversized chairs
- Makore cherry credenza on mirrored forward bulkhead
- Beveled glass upper storage cabinets with accent lighting
- Marble flooring with borders carpet inlay
- Makore cherry storage cabinets at aft end of dining area
- Makore cherry cabinets near stairway
- Access to lower level aft accommodations
- Access to hallway leading to galley
- Overhead ceiling treatment above dining table
- Makore cherry cabinets near stairway

Day Head

- Marble Vanity top with undermount sink
- Marble flooring
- Towel ring
- Wall mounted mirror
- Wall mounted soap dish and tissue holder

- Full-size marine toilet

Galley

- Lazzara country kitchen with island sink
- Makore cherry veneer cabinets and lockers
- Stainless cabinet handles
- Granite countertops
- Stainless steel double sink with faucet and sprayer
- Cherry plank flooring
- Majilite overhead panels with foam backing
- Five burner electric built-in cooktop
- Stainless steel Microwave Oven
- Stainless steel side by side refrigerator and freezer drawers with ice maker
- Stainless steel dishwasher
- 27" built-in oven
- Telephone connection—one next to settee
- Instant hot water dispenser
- Water filter
- Recessed LED downlights
- Raised Dinette with curved seating for six (6)
- Large storage locker accessed from top of dash
- Stairwell down to Forward VIP Stateroom
- 120 VAC duplex receptacles
- Built-in pantry
- Cabinets forward of seating group
- Stairs leading up to Pilothouse
- Pull-out privacy door to salon
- Trash compactor

Forward VIP Cabin

- Queen size walk-around berth with storage beneath and innerspring mattress
- Makore Cherry veneered nightstand with drawers
- Makore Cherry veneered storage cabinets with doors, outboard
- Makore Cherry veneered open shelving, outboard
- Hanging locker/cedar lined with mirrored door
- Carpet
- Majilite overhead panels with foam backing
- Private access head
- Direct and indirect lighting
- Wall-mounted reading light
- Receptacle: 120 VAC duplex
- Telephone outlet
- Overhead access hatch to foredeck

Forward VIP Head

- Makore Cherry vanity with mirrored medicine cabinet
- Marble vanity top with undermount sink
- Marble flooring
- Wallpaper all treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door and handheld shower head
- Full-size marine toilet

- Towel bars,tissue holder
- Exhaust fan
- LED down lighting with switches
- Receptacle:120 VAC duplex with ground fault breaker

Foyer

- Marble flooring
- Stairway to main salon with carpet and stainless steel handrail
- Direct and indirect lighting
- Credenza in veneer with wood veneered top and mirror
- Storage for central vacuum
- Enclosed storage area with door under stairwell

Master Cabin

- Walkaround Lazzara-size king bed with storage,innerspring mattress padded headboard
- Makore Cherry Veneer Nightstands, port and starboard
- Makore Cherry Veneered Armoires, port and starboard
- Built-in settee
- Desk with seating
- Walk-in closet with built-organizer
- Wood Valance
- Carpet
- Majilite overhead panels with foam backing
- Fabric wall coverings, removable panels
- Six (6) elliptical portlights
- Portlight window treatment
- Privateaccess ensuite head
- Direct and indirect lighting
- Receptacles:120 VAC duplex
- 42" Samsung TV
- Decorative sconces
- Telephone outlet
- Manual safe in closet
- Double door access to master stateroom from lower foyer
- Mirrored wall above headboard

Master Head

- Marble vanity top, with two undermount sinks
- Makore Cherry Cabinet with storage drawers and actuator latches
- Medicine cabinet with beveled mirror
- Marble flooring
- Wallpaper wall treatment
- Glassen closed full size tub with Jacuzzi feature and separate shower next to tub
- Full-size marine toilet
- Towel Bars,tissue holders,wall-mounted soap dish and tumbler holders
- Exhaust fan
- Recessed LED downlights with switches
- Two 120 VAC duplex receptacle with ground fault breakers
- Linen closet

Mid VIP Cabin

- 2 Bunk layout with 2 pullmans
- Makore Cherry veneered nightstand with drawers, and gold plated, brass cast latches and wood top
- Hanging locker/cedar lined with full- length mirrored door
- Teak & holly flooring
- Majilite overhead panels with foam backing
- 2x elliptical portlight
- Portlight window treatment
- Private access ensuite head
- Direct and indirect lighting
- Receptacle:120 VAC duplex
- 24" Sharp TV
- Telephone outlet
- Outboard bookcase

Mid VIP Head

- Wood vanity with medicine cabinet and mirror
- Marble vanity top with undermount sink
- Marble flooring
- Wallpaper wall treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door, and handheld shower head
- Full-size marine toilet
- Towel bars, tissue holder, wall-mounted soap and tumbler holders
- Wood valance
- Exhaust fan
- Halogen downlights with switches
- Receptacle:120 VAC duplex with ground fault breaker

Port & Starboard Guest Cabin

- Full-size walk-around berth with storage beneath and innerspring mattress
- Padded headboard
- Makore veneer corner storage cabinet
- Hanging locker/cedar lined with full-length mirrored door
- Carpet
- Majilite overhead panels with foam backing
- 2x Elliptical portlight
- Portlight window treatment
- Private access ensuite head
- Direct and indirect lighting
- Receptacle:120 VAC duplex
- Telephone outlet
- Outboard bookcase

Port & Starboard Guest Head

- Wood vanity with medicine cabinet and mirror
- Marble vanity top with undermount sink

- Marble flooring
- Wallpaper wall treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door, and handheld shower head
- Full-size marine toilet
- Towel bars, tissue holder, wall-mounted soap and tumbler holders
- Wood valance
- Exhaust fan
- LED down lighting with switches
- Receptacle:120 VAC duplex with ground

Flybridge

Fully Instrumented Helm Console, including:

- Controls for Thruster System
- Electronic Engine Controls
- 3x Stidd Single Helm chairs
- Access to aft deck via molded fiberglass stairway with handrail
- Stereo/CD player with speakers
- Outboard seating group, split into port and starboard sections with teak table for each section
- Peninsula-shaped bar with Corian top, sink, and dual electric grills on the port side
- Refrigerator and Ice-maker under bar counter
- Four(4) swivel stools at bar
- Corian counter forward the bar on the portside with icemaker underneath
- Jacuzzi Tub with Sunpad lounging area ovetop of tub
- Hydraulic Davit with remote control, starboard side concealed into styling line, with telescopic and power rotation features, 2,000 lb capacity
- Storage cabinet with Corian top on starboard side between the chaise and the aft seating group
- Access sliding hatch to Pilothouse
- Booth-style seating for four (4) on starboard side with corrigan between the seats, all on raised platform for visibility
- Access keypad to Global Audio System with two (2) overhead JL Audio
- Aft couch

Flybridge Arch

Custom Fiberglass Instrument Arch, including:

- Electronics
- Antennas
- Radar
- Lighting
- Horns
- Navigational Lighting

Aft Deck/Transom Outfitting

- Docking Control Station, including: Control For Thruster System and Electronic Engine Controls
- Table with teak top high gloss
- Teak cap rail with stainless steel standoffs above settee group seatback
- Built in settee group
- Access to sport transom deck with handrail
- Overhead built-in lighting and speakers
- Access to decks leading forward

- Teak decking systems terakaft deck stair treads
- Access to engine room Emergency Escape hatch
- 120 VAC duplex receptacle with ground fault breaker
- Stairway to Flybridge
- Two(2)Maxwell 22 Wrapping Winches, 24 volt
- Access to crew quarters via Spiral Stairs
- Telephone Outlet
- Volume control station to Global Audio System With Two (2) overhead JL Audio

Exterior Overheads

- Painted Overhead Panels
- LED Recessed Exterior Downlights

Aft Sport Deck

- Dockside Water Connection
- Spiral Molded Stairways, port and starboard
- Large Cockpit Area
- Freshwater Hot And Cold Shower
- Access Door Transom Pod And Storage compartments
- Access To Captain And Crew Quarters
- Access To Shore Power Inlets
- Personal Watercraft Storage, port and starboard, with hydraulically activated pod doors, 24 volt hydraulic pump
- Personal Watercraft Launching System with 24 volt DC electric hoist winch
- Hydraulic Nautical structure swim platform

Main Deck Outfitting

Anchor and Anchor Handling

- Dual Maxwell vertical windlass with chain stopper and washdown
- Dual anchor pockets, stainless steel
- Two (2) stainless steel 200 lb .Poole anchors
- Two (2) anchor rode and chain,300'and 200'of½"BBB highest galvanized steel
- Anchor Chain Washdown System

Deck Hardware

- Ships Air Horn: Kahlenberg T2 With Air reservoir
- Windshield wiper system 24VDC/ pantograph type
- Flagpole and Jackstaff, including:
- Teak 48" Flagpole with American flag
- Stainless steel Jackstaff
- Bow, spring and stern cleats,316L stainless steel
- Stainless 316L steel rails on main deck
- Burgee staff, custom stainless steel, with burgee flag
- Hawse Pipe With Stainless Steel Guide posts
- Forward hatch bow cabin
- Logo, stainless steel
- Sliding Fender Tracks

Doors, Hatches and Scuttles

- Doggie Doors: painted aluminum, including:
- Weathertight Engine Room Access door

- Foredeck Access Hatch
- Curved double stainless steel aft main salon weathertight sliding door
- Bypass Sliding Main Deck Doors

Lifesaving Equipment

- Two(2) life rafts with hydrostatic release
- Eighteen(18) adult life jackets, type 1
- Two(2) children life jackets, type 1
- Two(2) ship distress kits poly bottles
- Two(2) at 30" ring buoy with buoyant lifeline
- Two(2) lifebuoy with light smoke
- Two(2) first aid kits
- Flashlight/ waterproof with spare batteries
- Portable Air Horn
- Handheld Compass
- ACR 406 Category I, Class B EPIRB
- Six(6) rocket parachute flares
- Carbon Monoxide/smoke detectors
- Handheld VHF/GPS(emergency)
- Flare Kit, six (6) hand held flares six (6) signal rockets

Mooring System

- Eight(8) custom cast and polished deck cleats
- Custom cast and polished Stainless Steel hawse rings
- Two(2) 200 lb mooring anchor with chain
- Two(2) Maxwell 22 Wrapping Winches, 24 volt, aft deck
- Telescoping boat hook with mounting brackets
- Eight(8) 1" mooring lines, 40feeteach
- Class EPIRB: Handheld GPS, Handheld VHF, spare battery, ship's documentation
- Medical Kit

Port lights and Windows

- Main deck windows are tinted glass, laminated and chemically strengthened
- Helm windows are clear glass, laminated and chemically strengthened, including:
- Pantograph wipers with freshwater wash and intermittent speed
- Flybridge windscreen with polished stainless steel frame and tinted glass

Rails, Ladders and Gangways

- Stainless Steel (316L) hand rails on all exterior decks
- Handrails for all exterior stairs
- Seven (7) step boarding ladder with handrail: mounts to starboard
- Solid PVC rub rail with stainless steel insert

Storage Locker Foredeck

- Locker lid with pad cushions with storage below via hydraulic opening lid, 24 volt pump

Electronics System

Alarms

- Fire alarm system with emergency DC backup
- ISIS 700 ALY/SP custom vessel monitoring system, including:
- One (1) 18" monitor power station; One (1) 12" monitor (bright) upper station
- ECM output from engine monitor/alarm electronics
- Generator Systems alarm/monitoring
- Tank level readout alarms
- Free Zone Alarm for engine room
- Bilge Alarm and pump run indication

- Autofire Discharge Alarm
- MTU engine control alarms
- Alarm For Reduction Gears

Communications

Upper Helm

- Standard Horizon

Lower Helm

- Standard Horizon
- Newmar 40 watt deck horn(one for each Hailer)

Galley

- 20"Sharp flat screen LED/flush mounted
- Satellite Receiver
- Crestron Handheld Remote Control
- Two (2) overhead speakers
- Access keypad to Global Audio System

Master Stateroom:

- 42" Samsung EDTV plasma monitor
- Denon Home Theater System With progressive scan DVD/CD
- Satellite Receiver
- Crestron Handheld Remote Control
- Denon Five Speakers Plus subwoofer
- Access keypad to Global AudioSystem

Port and Starboard VIP staterooms:

- 15"Sharp flat screen LCD
- DENON all-in-one surround sound receiver with CD/DVD, FM/AM tuner,integrated amplifier and iPod connectivity
- Satellite Receiver
- Crestron Handheld Remote DENON five speakers plus subwoofer
- Access keypad to Global Audio System

Mid VIP stateroom:

- 15"Sharp flat panel LCD TV
- DENON all-in-one surround sound receiver with CD/DVD, FM/AM tuner, integrated amplifier and iPod connectivity
- Satellite Receiver
- Crestron Handheld Remote
- DENON five speakers plus subwoofer
- Access keypad to Global Audio System

Forward VIP stateroom:

- 30"Zenith LCD TV
- DENON all-in-one surround sound receiver with CD/DVD, FM/AM tuner, integrated amplifier and iPod connectivity
- Satellite Receiver
- Crestron Handheld Remote Control
- DENON five speakers plus subwoofer
- Access keypad to Global Audio System

Captain's Stateroom

- 15" Sharp flat panel LCD TV
- DVD/CD player
- Satellite Receiver
- Two(2) in-wall Canton speakers

- Crestron Handheld Remote Control
- Access keypad to Global Audio System

Crew Stateroom

- 15" Sharp flat panel LCD TV
- DVD/CD player
- Satellite Receiver
- Two(2) in-wall Canton speakers
- Crestron Handheld Remote Control
- Access keypad to Global Audio

Navigation

- Upper Station (Open Bridge)
- GPS
- Autopilot
- Simrad AP50
- Speed/depth/temp/compass
- NobelTec with 4 repeater screens
- Backup separate system for NobelTec
- Radar
- Simrad RA84C/6 color system with 12" flat panel LCD display repeater
- Compass
- Simrad AR78 repeater
- Nobeltec Visual Navigation Suite 9.0 with 12" flat panel SHD display
- Pilothouse
- GPS Backup Garmin 7151
- Autopilot
- Simrad AP50
- Speed/depth/temp/compass
- Furuno NX 700
- Radar
- Simrad RA 84C/6 color system with 18" flat panel LCD display
- Sounder
- Furuno FCV 1200I with 18" flat panel LCD display
- Chart Plotter
- Nobeltec Visual Navigation Suite 9.0 with 18" flat panel LCD display
- Compass
- Simrad HS50 GPS System

Special Equipment

- CCTV system, including:
- Cameras for Engine Room Aft deck
- 18" monitors at pilothouse
- Custom Video Matrix Switcher for all monitors
- Best 1400 Smart Uninterruptible Power Supply(UPS) for navigation & communication equipment with cell antennas

Electrical System

Exterior System

- Over head lights and arch accent lights
- Navigation Lights 24V/dual element Aqua Signal Series 70, including:
- Forward steaming light
- Port/Starboard Side Running lights
- Stern Running Light
- Anchor light 24V
- NUC lights to color regulations, 24V
- Exterior Stairway Lights

- Aft Deck, transom, foredeck, arch and bulwark lights
- Boat Deck Lighting/Aqua Signal Series 1076
- Liferaft Embarkation Lights
- Emergency Lighting Teach Stairway
- ACR 100 searchlight with dual remote controls(single control on SkyLounge model)

Generator

- Two(2)Onan 55kW Diesel:220VAC/ 60Hz,single phase, with sound enclosure and control panels.
- Engine Fitted With Alternator And Muffler

Grounding

- AC and DC Bonding and Grounding System
- Bonded Seawater Pipe, valves, thru-hulls, strainers
- Sacrificial Zincs: anodes on all running-rig components

Interior Lighting

- Low voltage AC with remote control dimming system
- Vimar Switches And Receptacles
- Public space lights with DC emergency circuits
- Fluorescent Lighting/engine room
- Three (3) zone lutron homeworks processor controlled automated scene lighting system

Shore Power

- 100 amp/240 VAC/60Hz Service
- Four (4) 100'-100 amp, 240VAC shore cords, Automatic Power Cable Reel/24 VDC; two (2) forward and two(2) aft
- Isolation Transformer
- Shore Power "smart" dockside voltage/phase combiner

Switchboards, Load Banks and Control Panels

- AC and DC master control distribution panel located in engine room with secondary distribution subpanels (four AC, for DC) located throughout the yacht
- 240 volt/120 volt/60hz ship's electrical system
- Batteries, heavy duty, maintenance free, 450 amps, 4banks@24volt: two (2) main engines, two (2) house/generator, all 8-D's
- Emergency Batteries
- 1.4kW UPS backup power supply
- Two Charles Industries battery chargers, each 60 amps at 240 volt
- Vapor Proof Battery Switches
- Navigation Lights On Separate Distribution panel
- VHF on independent emergency battery

Wires and Cables

- All Cables Marked With Circuit Number
- Wirechase Runs Throughout
- Bonded Electrical System
- Color Coded Wiring System

Mechanical Equipment

Air Conditioning System

- Chilled Water System
- 150,000 BTU (open bridge) / 174,000 BTU (SkyLounge) air conditioning system with air handlers and
- thermostats for each zone and chilled water system
- Insulated copper piping supply and return lines
- Individual head exhaust fans

Bilge System

- 3 HP 240 volt, Flomax,120 gallons per minute, manifold to five bilge compartments

- One Engine Room Direct Bilge Suction
- Bronze Bilge Manifold
- Copper Nickel Pipe For Bilge System In engine room
- Secondary Bilge Pump To Evacuate Each bilge, Rule 2000, 24 volt, 2,000 gallons per hour with Ultimate sensor float switches
- Engine Driven Emergency Hydraulic Bilge pump, Flomax, 120 gallons per minute
- Three (3) 8 GPM diaphragm emergency bilge pumps

Black Water System

- 380 total US gallon black water storage tank
 - One holding tank forward, 300 US gallons, and two 40 US gallon tanks for crew with tanks entry tied into ISIS
 - Access For Pump Out
 - Headhunters Gravity Marine Toilet System
 - Three macerator pumps with overboard or deck discharge (international flange), with 240 volt mains pump, plus two (2) 24 volt auxiliary tank pumps
 - Pressurized Gray Water Pump Out system for main accommodations, with separate high lift pump for draining master and engine room sink and dual sump pumps for crew quarters
- Central Vacuum System
- Central Vacuum System, 120 volt
- Controls and Instruments, Main Engines
- DDEC electronic engine controls and Monitoring System with controls at pilothouse flybridge helm, and aft deck docking stations

DriveTrain

- Aquamet 4½" 22H propulsion shafting
 - Five (5) bladed, Nibral Rolla custom
 - CNC machined propellers
 - Dripless Shaft Logs And Rudder Posts, Tides Marine
 - Bronze "I" strut system
 - Cast Stainless Steel Rudders
- Engines & Transmissions
- MTU series 2000 16 cylinder 2,000 BHP
 - 3.48:1 Twin Disc marine reduction gears
 - DDEC electronic engine function displays programmable both English And Metric measure

Engine Room

- Overhead Handrails On Engine Room overhead
- Bronze sea cocks and under water thru hulls
- White Perforated Aluminum Hull Side, bulkhead FRP overhead panels
- Delta variable speed blowers, two (2) at 240 volts
- Compressed Air Service Outlet With One (1) 1000 Junair Oilless Compressor
- Freshwater Outlet
- Sink With Hot And Cold Running Water
- Two (2) workbenches with tools
- Removable Grating
- AC/DC lighting

Exhaust System, Main Engines

- Jacketed, stainless steel and FRP underwater exhaust system with idle bypass
- High Lift Mufflers For Generators

Fire Extinguishing System

- Fire Protection System, automatic and manual, USCG approved gas (FM200), both manual and automatic release of main engines generators: all with damper systems fans; manual and automatic shut down system on fuel to engines generators
- Fire Pump, 230 volt, HALF 5hp, with two hose connections on deck (forward under bow deck sun pad naftin starboard side deck haunch) 66 gallons per minute at 60 psi, salt water output, 1 ½" diameter, with 50 ft of hose at each location

Fresh Water System

- 600 US gallons total, two (2) linear polyethylene water tanks: FDA Approved
- Electronic Tank Level Indicator With Low level alarm

- Three (3) water heaters: total 100 gallons; to at 40 gallons (4500 watt high output fast recovery coils each for owners and guests), plus 20 gallon booster heater for master stateroom for redundancy and better water delivery circulation
- Pressurized 230 volt water system with dual Headhunter Mach pumps at 20 gallons per minute, 50 psi (one pump is primary and other is backup with manual switch over)
- Two (2) dockside water connection with pressure regulators
- Water fill Station, forward port and starboard
- Freshwater Washdown: foredeck and aft deck, flybridge, engine room
- Sea Recovery 1,800 GPD watermaker
- Water Filtration System

Fuel System

- Single Centerline Fiberglass (Hexion Fire retardant resin) fuel tank with 3,000 US gallons capacity
- Auxiliary Tank With 1,300 US gallon capacity
- Manual Fuel lines, aircraft type, solid and flexible tubing, stainless steel grade
- Racor Fuel Filters (main engines)
- Racor Fuel Filters (generators)
- Stainless Steel Fuel Piping System
- Stainless Steel Fuel Fill Shaft (port and starboard for forward tank, starboard for auxiliary tank)
- Four (4) fuel priming pumps for each engine generator
- One (1) reversible transfer pump, Oberdorfer, 10 gallons per minute with pressure relief valves, to transfer fuel from/to main fuel tank and from/to auxiliary fuel tank
- Emergency Fuel Shut-off outside engine room (tied into emergency fire release and shutdown system)

Lube Oil System

- Lubricating Oil Changer System, Oberdorfer Pump, 120 volt reversible, with oil quantity gauge and selector valves for engines, gears, and generators
- 72 US gallon fresh oil storage tank
- 72 US gallon used oil storage tank
- One (1) main engine fuel oil back-up pump

Noise, Thermal and Vibration Control

- All Primary Machinery & Equipment resiliently mounted
- Engine Room Provided With Double thermal and acoustic insulation
- All Living Areas Acoustically Insulated
- Sounddown Carpet Pad Used Throughout
- Lower Deck Soles Vibration Isolated With rubber discs
- High Lift Muffler For Generators

SeaWater Cooling System

- 6" Bronze Sea Strainer
- Copper Nickel seawater piping

Stabilizers

- American Bow Thruster, TRAC System, two (2) FRP stabilizer fins

Steering System

- Hydraulic Steering, power assisted, Jastram, dual engine driven pumps, one port, one starboard, to include automatic changeover manual emergency helm back-up
- Stainless Steel Hydraulic Lines
- Custom Designed stainless steel rudders

Thruster/Bow

- American Bow Thruster hydraulic 50HP, 16" Aperture
- Dual Joystick Control With Alarm indicator light @ three stations

Construction

GRP Composite Construction

- Hand-laid, unidirectional fiberglass with vacuum bagged balsa-cored hull, deck and flybridge
- Hull Below Waterline Is Double Sandwich construction

- Lower Sole Isolation Discs For Noise reduction
- Solid Fiberglass Laminated Keel, china and all hole penetration areas
- Balsa-cored, CNC machined reinforced stringer system
- Balsa-cored, CNC machined bulkheads and soles
- Vinyl Ester Resin Used Throughout
- Awlcraft 2000 Brand Painted Urethane finish exterior
- Stainless Steel Molding at sheer level

Captain's Cabin

- Upper berths with storage beneath and innerspring mattress (upper berth can tilt down and lock when not in use)
- Makore Cherry veneered nightstand with drawers
- Hanging locker/cedar lined with mirrored door
- Carpet
- Majilite overhead panels with foam backing
- Private access ensuite head
- Direct and indirect lighting
- Wall-mounted reading light
- Receptacle:120 volt
- Two portlights

Captain's Head

- Makore Cherry vanity with mirrored medicine cabinet
- Corian vanity top with undermount sink
- Ceramic tile Flooring
- Kohler single lever faucet
- Wallpaper wall treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door and handheld shower head
- Full-size marine toilet
- Wood valance with overhead lighting
- Exhaust fan
- Towel bars, tissue holder, wall-mounted soap and tumbler holders
- Receptacle:120 volt

Crew Quarters

- Three (3) bunk layout; converted lounge to add area in crew room
- Makore Cherry veneered nightstand with drawers
- Hanging locker, cedar lined with mirrored door
- Carpet
- Majilite overhead panels with foam backing
- Private access ensuite head
- Direct and indirect lighting
- Wall-mounted reading light
- Receptacle:120 volt
- Two Portlights

Ensuite Crew Head

- Makore Cherry vanity with mirrored medicine cabinet
- Corian vanity top with undermount sink
- Ceramic tile flooring
- Kohler single lever faucet
- Wallpaper wall treatment
- Illusion overhead panels with foam backing
- Shower stall with glass door and hand-held showerhead
- Shampoo holder in shower
- Full-size marine toilet
- Wood valance with overhead lighting
- Exhaust fan
- Towel bars, tissue holder, wall-mounted soap and tumbler holders
- Receptacle: 120 volt

Exclusions

Owner and crew personal effects
Williams tender

Event Information

March 24 - 27, 2022
101 S Flagler Dr, West Palm Beach, FL 33401

2022 Palm Beach International Boat Show

101 S Flagler Drive
West Palm Beach FL 33401 USA
Start Date: 03/24/2022
End Date: 03/27/2022

The 36th annual Palm Beach International Boat Show, March 24th-27th will be located along the waterfront and Flagler Drive in Downtown West Palm Beach, FL. The show will feature more than \$1.2 billion worth of yachts and accessories, including hundreds of boats ranging from 8-foot inflatables to super yachts nearly 200 feet in length.

Get outside and enjoy live music and refreshments at the show's famous floating cocktail lounges. Guests are also invited to come by boat and may tie up to free docks located south of the in-water displays.

Elevate your experience in Palm Beach and become a VIP. The Windward VIP Experience is an indoor and outdoor oasis that includes early admission to the show, a premium open bar, hors d'oeuvres, concierge service and much more.
