Description

Riva yachts are synonymous with speed, and the 2001 72' Riva Splendida "Amos" holds true to her heritage. With a 28 knot cruise and 35 knot top end speed, this yacht can get you to your destination quickly, and in style.

"Amos" enters the market in excellent shape, having been afforded the utmost in care and maintenance over her lifetime. In January of 2022, the hull was completely repainted, as was the bottom. In addition to paint, she received engine service and a reapplication of propspeed.

Onboard "Amos" the 3-stateroom, 3-head layout offers comfortable accommodations for guests. Upper and lower salon areas, and the spacious aft deck provide options for a comfortable entertainment space while a sunpad on the bow offers the premier spot onboard for sunbathing. "Amos" enters the market as an exceptional opportunity to own an express motoryacht from Riva, the builder that defined the category.
