## Description

"Nimbus" enters the market as an excellent example of the 44MY powercat from Fountaine Pajot. Built in 2019, "Nimbus" features the optional upgraded Volvo IPS600 engines and easily maneuvered by way of her joystick controllers. She will be easily controlled by an owner/operator, but also features a small efficiency cabin for a captain should one be desired.

The MY 44 from Fountaine Pajot is a first rate, stylish luxury yacht featuring matchless space for a boat in its size range. "Nimbus" offers comfortable relaxation and entertaining spaces worthy of a second home. The eisenglass enclosed flybridge, designed with sunbathing lounge, fully equipped galley, and massive salon offers everything you will desire onboard. Her spacious master stateroom is to port and offers an ensuite bathroom. Two additional rooms are starboard for your guests, each with their own ensuite bathroom.

Please contact us to schedule a viewing of "Nimbus," located in Fort Lauderdale, FL.
