Summary/Description

The best looking and maintained 63' 2003 Hatteras Raised Pilothouse Motoryacht on the market

The best looking and maintained 63' 2003 Hatteras Raised Pilothouse Motoryacht on the market. With her sleek design and contemporary flare, large aft deck and flybridge with fiberglass hardtop, walk-around side decks and a fully integrated swim platform. She is proven and reliable.

The spacious main salon and roomy galley are courtesy of her very wide beam of 18' 3". The interior is Makore wood and the countertops are done in Avonite.. A fully equipped galley is forward of the main salon to port. Forward of the galley on the main deck is the raised pilothouse. Stairs accessing the flybridge go up from the pilothouse.

On the lower deck forward is the VIP guest stateroom. Further aft to starboard is the guest stateroom with upper double and lower single berths. The master stateroom is full beam with a custom oversized queen berth. The large aft deck is sheltered by the fully extended flybridge. Walk-around decks port and starboard, steps down to the swim platform and a hatch in the sole to access the spacious engine room and crew cabin.

The tender is included. 2017 130 super sport Boston whaler with 40 hp mercury.

Comments

This vessel is Hull #24 which was the last 63' Hatteras of this series built. She is also the most extensively equipped and the most customized. Her original engineer/owner managed to make her appreciably lighter with a lower center of gravity. This yielded a better ride with a greater turn of speed. At 1900 RPM's, she is cruising an honest 24 knots and burning 96 GPH. Her owner is particularly fastidious about her maintenance and care. She is as close to a true 10 as a yacht can get; without a doubt, the nicest 63 ever built!

New Interior and updated electronics in 2016.
