Summary/Description

2009 Marquis 500 Sport Coupe

Description

Design Elements

The Marquis 500 Sport Coupe is a yacht created through the partnership of Italy's Nuvolari-Lenard Naval Architects and Marquis, America's foremost builder of premium quality yachts. The result is a trend setting sport coupe with styling, quality and performance that will stand out in any port throughout the world. Propulsion is provided by three Volvo Diesel engines equipped with innovative IPS drives. Performance is exhilarating. The IPS joystick makes docking and maneuvering this 50' yacht in tight quarters a snap. Nuvolari-Lenard's heritage of designing the world's most innovative mega-yachts is obvious throughout the Marquis 500 Sport Coupe's interior design and appointments. The Zebrano cabinetry, Brazilian cherry floors and designer fixtures set this yacht apart from typical express style boats. People who love being on the water will place high value on having the cockpit, salon, helm station and galley on the same level. With a push of a button you can move the transom lounge aft which expands the size of the cockpit. Like all Marquis', this yacht is certified to CE-Class A specifications. That means it meets the European Union's highest standards and is built to be used with confidence on any body of water throughout the world.

- Sleeps 5
- 3 Staterooms
- 2 Full Heads

Salon

The Salon flows effortlessly from the Cockpit through to the Galley and Helm Station. The Dinette Table and TV both raise and lower electrically with the push of a button. The Large tinted windows and overhead Sunroof with electric shades provide great natural light and amazing 360 views while still maintaining your privacy.

- • Optional Dinette - Power actuated high/low table with drop leaf sides
- • Optional Premium stereo upgrade with surround sound - Kenwood® touchscreen stereo in Salon and dual JL Audio® speakers with sub-woofer & amplifier in the Cockpit
- • Entertainment group: 32" (81 cm) Solé LCD TV with lift, stereo system, DVD/CD player, Sirius® satellite radio system built to durable marine grade standards & Apple iPod® dock
- • AC & DC distribution panel cabinets
- • Air conditioning controls (2)
- • Designer décor: consisting of premium wall coverings & fabrics
- • Designer chairs (2)
- • Duette shades on lower salon windows: décor matched
- • Electrical outlets
- • Entrance door: hinged starboard panel & bi-fold port panel, provides for maximized opening, painted aluminum frame, handle lock & deadbolt

- • Shower seat: fiberglass

Comfort Features

Equipped with all the Cruising Comforts you can ask for.

- Optional Power opening sunroof
- Optional Electric powered shade - integrated with sunroof

- Optional Cockpit Canvas Enclosure - Black
- Optional Cockpit Wet Bar with Storage, Grill, Ice maker, Refrigerator - Vitri Frigo, 2.1 cubic foot
- Optional Cockpit Table
- Air conditioning: 4-zone 38,000 BTU self contained system: 8,000 BTU for master stateroom and heads; 10,000 BTU for dinette, 12,000 BTU for salon; 8,000 BTU for guest staterooms; with reverse cycle heat
- Water heater: 11 gallons (42 liters)
- Foredeck Sunlounge with Cushion (NEW in 2015)

Electronics

- Optional "Raymarine G Series Electronics Package plus Radar" - Includes Raymarine® 4 KW open array radar scanner & two Raymarine® G-Series 12" multifunction navigation displays
- Autopilot - Raymarine® ST70 with (1) wireless remote, bracket and charge cord
- Optional TrackVision Satellite TV System
- Optional SeaKey® - satellite based boat security, safety & concierge system
- Accessory outlets (1): 12V
 - EVC Control Panel
 - Fuel gauge
 - Instrumentation: LCD Digital Engine Display (1 for each engine) tachometer, hourmeter, engine oil pressure, engine coolant, temperature, engine battery voltage; transmission fluid pressure, transmission fluid temperature, rudder angle
 - Spotlight: electronically controlled, Golight® Stryker™
 - Start/stop panels (3)
 - Trim tab controls with position indicator
 - Volvo Electronic Engine Controls
 - Volvo IPS Joystick Control

Mechanical and Electrical

- Optional Upgraded Generator: Kohler 23 KW 60 Hz (20 KW 50 Hz)
- Optional Upgraded Air Conditioning (48,000 BTU)
- Optional Engine oil change system
- Optional Dual cablemaster for shorepower
- Optional Central Vacuum System
 - Electric fly by wire steering: Volvo® IPS engines
 - Exhaust muffler: generator
 - Fresh water cooling: engines
 - Fuel tanks: welded, baffled 5052 aluminum
 - Internal Seawater Strainers
 - Trim tabs: Lectrotab®, 4 stainless steel flat planes
 - AC/DC distribution panels with magnetic circuit breakers & integral generator & bilge blower controls; AC voltmeter AC ampmeter, DC voltmeter & DC amp meter
 - Batteries, engine: (3) 31 series starting batteries, Deka Marine®, cold cranking rating of 950 amps, reserve capacity of 205 minutes at 23 amp draw, 100 amp/hour rating [(3) engine]
 - Batteries, generator/ship service: (3) dedicated 31 series, Deka Marine®, deep cycle, (12V), cold cranking rating of 950 amps, reserve capacity of 225 minutes at 23 amp draw, 105 amp/hour rating [(1) generator, (2) ship service]
 - Battery chargers: (1) 20 amp charger for the engine batteries; (1) 60 amp charger for ship service batteries & generator
 - Battery switches, on/off: (3) engine, (1) ship service, (1) generator
 - Dockside inlet: CATV with 50' (15.2 m) white cord
 - Ground Fault Circuit Interrupt (GFCI) protection: all electrical outlets

- • Shore power connector: dual 240V/50 amp (230V/32 amp internationally)
- • Shore power cord: Marinco® dual 240V/50 amp (230V/32 amp internationally) 50' (15.2 m) white
- • Wiring system: tinned copper strand wire, harnessed, color-coded, labeled, meets or exceeds ABYC standards
- Seacocks: 65-5-5-5 marine grade bronze for all underwater thru-hulls
- • Active corrosion protection for Volvo IPS: replaces traditional zinc anodes, triple redundant protection, integrates with EVC displays; monitors & adjusts potential voltage in surrounding water to an acceptable level
- • Automatic engine synchronization
- • Battery master disconnect switches
- • Battery restraint brackets & boxes
- • Bilge alarm: high water • Bilge blowers (12V)
- • Bilge pumps: (4), (2) 2000 gallons/hour (7570 liters/hour) each, auto/manual operation, (2) 1100 gallons/hour (4163 liters/hour) each, automatic operation
- • CO detectors in salon & staterooms
- • Engine alarms: temperature & oil pressure
- • Horn: International, 123 dba (12V), mounted on arch
- • Internal bonding system with 8 gauge size wire, ABYC compliant
- • Isolation transformers on the internal shore power lines with ELCI Inlet Breakers 60 Hz
- • Navigation lights: USCG/COL REG approved, mounted on arch
- • Fuel filters: Racor®, engines & generator

Water and Holding Systems

- Optional Water Maker - 600 GPD Village Marine MPW600
- Optional Grey water holding system
- Optional Overboard discharge system with pump
 - Optional Washdown System (Both Fresh & Raw Water)
- Fresh water storage tanks: polyethylene
- Fresh water tank level monitor
- Grey water sump pump: automatic/manual operation for all grey water drainage below waterline
- Fresh water system: SHURflo®, variable speed drive pump sensor, Smart Sensor®, 4.5 gallons/minute (17 liters/minute) flow rate, high flow filter
- Shore water connection with pressure-reduction valve
- Water system: SHURflo®, state of the art plumbing technology
- Transom handshower: fresh water, hot & cold
- Waste holding tank: with filtered vent & dockside pumpout
- Waste tank level monitor • Water & waste lines: constructed of molecularly cross-linked polyethylene • Water heater: 11 gallons (42 liters)

Deck and Exterior Features

- Titan 12" Center Console Tender with 40HP Yamaha Stroke Outboard Motor & Tow Bar
- Optional Hydraulic swim platform

- Optional Teak decking on swim platform, cockpit, side deck steps & cockpit
- Optional Underwater lighting (2) - transom, Ocean LED®, super blue, 40,000 plus hours of life
- Optional Cockpit Wet Bar with Storage, Grill, Ice maker, Refrigerator - Vitri Frigo, 2.1 cubic foot (59 liters)
- Optional Cockpit table
- Optional Exterior upgrade package - stainless steel anchor, aft flagstaff & stainless steel Marquis engine covers
- Optional Foredeck sun lounge with cushion
- Optional Upgraded Windlass (Quick® Aster 1000 - Lo Profile Package)
- Optional Cockpit Canvas Enclosure - Black
- Optional Hull Color - Agregio Alloy (Silver) Metallic Paint
- • Boarding ladder: 3 steps, telescoping with grab rail, concealed in swim platform
- • Extending cockpit: 71 ft² (6.6 m²) approx., with transom lounge in forward position; extends to 79 ft² (7.3 m²) approx., when lounge slides aft
- • Grab rails: stainless steel, by side deck stairways & on top of transom
- • Hatch: engine room access, guttered, watertight, locking stainless steel latch, gas-assist, ladder to machinery compartment, sized to permit equipment removal
- • Courtesy, recessed, lights: with exterior-mounted switch, blue LED
- • Overhead, recessed, lights: with exterior-mounted switch, polished chrome, blue LED
- • Side deck stairways: (2) integral to deck
- • Stereo speakers: (2) with amplifier with volume control and on/off switch
- • Storage lockers, at swim platform: port & starboard
- • Storage locker, starboard aft of salon door: under bridge companionway, fiberglass door and interior closeout, contains main accessory battery switch; accommodates for CE specified life raft
- • Storage locker, aft, port and starboard corner: fiberglass door and interior closeout
- • Transom gate: port & starboard side, stainless steel & etched plexi-glass, secures closed, stainless steel hardware
- • Transom lounge: slides aft 14" (36 cm) to provide 8 ft² (0.74 m²) approx. additional cockpit space at anchor or dock, accommodates 4 adults, with storage beneath & seat covers
- • Anchor roller: over-the stem, stainless steel channel with nylon rollers
- • Bow chafe plate: stainless steel • Bow rail: 1 1/4" (32 mm) O.D., lineal-buffed, welded stainless steel, with additional 1/2" (13 mm) intermediate rail amidships & forward
- • Bow rail stanchions: 1" (2.5 cm) stainless steel, anchored to aluminum backing plates laminated into deck
- • Cleats: 12" (30.5 cm) stainless steel: anchor (1), bow (2): stern (2), spring (4): bolted through a structural aluminum backing plate
- Deck portlights: (2) port & starboard on foredeck, tinted plexiglass
- Molded deck toe rail, forward • Grab rail: 1" (2.5 cm) stainless steel, over cabin windows, running length of cabin & above windshields
- Rub rail molding: heavy-duty, 2" (5 cm) 316L stainless steel insert • Windshield weather covers: black mesh

Additional Descriptions

The Marquis 500 Sport Coupe is a yacht created through the partnership of Italy's Nuvolari-Lenard Naval Architects and Marquis, America's foremost builder of premium quality yachts. The result is a trend setting sport coupe with styling, quality and performance that will stand out in any port throughout the world. Propulsion is provided by three Volvo Diesel engines equipped with innovative IPS drives. Performance is exhilarating. When equipped with Volvo IPS Series 600's the 500 Sport Coupe can achieve a top speed of 42 mph. The IPS joystick makes docking and maneuvering this 50' yacht in tight quarters a snap. Nuvolari-Lenard's heritage of designing the world's most innovative mega-yachts is obvious throughout the Marquis 500 Sport Coupe's interior design and appointments. The Zebrano cabinetry, Brazilian cherry floors and designer fixtures set this yacht apart from typical express style boats. People who love being on the

water will place high value on having the cockpit, salon, helm station and galley on the same level. With a push of a button you can move the transom lounge aft which expands the size of the cockpit. Like all Marquis', this yacht is certified to CE-Class A specifications. That means it meets the European Union's highest standards and is built to be used with confidence on any body of water throughout the world.
