

HUNTER 41

Whether you choose the traditional aft cockpit or the more contemporary Deck Salon (DS) version, be prepared for exceptional sailing ease and performance. From heavy air to gentle breezes or from full speed ahead to slow reverse, the Hunter 41 will astound you with a perfectly balanced helm, surprising responsiveness, and unbelievably easy sail handling. It's the big boat that maneuvers like a small one, with plenty of space for entertaining.

Inside, the efficient two cabin layout provides luxurious accommodations with fully equipped private staterooms at both ends. Or if you prefer, the tri-cabin cabin version splits the standard single aft stateroom into two smaller ones. The popular Deck Salon option raises the cabin house to provide nearly seven feet of interior headroom. The extra space, combined with panoramic views from oversized windows, imports the beauty of your sailing environment to the comfort of the interior.

Liberate your culinary talents in an expensive galley laid out for comfort and convenience. Front opening refrigeration installed under the counter preserves the beauty and utility of the continuous Corian® surface accented with under-mounted stainless sinks and a protective acrylic splashguard. Storage space abounds with a 10 cubic foot pantry that includes adjustable shelving and 4 deep drawers.

Like all Hunters, quality components and easy systems access reduce maintenance time so you can relax. Whatever destinations your cruising plans include, the Hunter 41 is built to take you there safely in comfort and style.

Owner's Version

Three Cabin Option

Specifications

Length Overall	40' 4"	12.29 m
Hull Length	38' 9"	11.76 m
