

MJM Yachts 50z Layouts

Designed by and for Cruisers

Standard Great Cabin: Ideal for the cruising couple. Open space, daytime privacy with seating in 4 areas, yet divides into dual master suites at night, each with own head and glass enclosed shower by simply closing the entry door to the forward cabin. The “L” shaped lounge in the Great Cabin has twin foot-to-foot berths as is, or becomes a large double by lowering the table (see below).

Instant Guest Stateroom: A unique portable bulkhead system, combined with dual entry head to starboard, creates a semi-permanent double 2nd cabin in 15 minutes.
