Carver Aft Cabin Motor Yachts. Their reputation for comfort and luxury is legendary.

The Carver Aft Cabin Motor Yacht has become synonymous with comfort. And for good reason! No other boat in its class offers the same level of roominess or livability as the Carver Aft Cabin. That's why so many people who are serious about cruising or entertaining have made it the boat of their choice.

Carver Aft Cabins are ideal for extended cruising or living on board for extended periods of time. Compared to other boats, they offer larger seating capacities and enhanced accommodations for large families or greater numbers of friends. They offer the convenience of head compartments with stall showers for the utmost in privacy and comfort. And their

beautiful and spacious salons offer comfortable seating and feature large windows that let in natural light and enhance visibility.

Outdoor Carver Aft Cabins really excel at showing everyone a good time. Their fly bridges offer plenty of comfortable seating. And for cruising or entertaining, their aft decks provide protection from excessive sun or bad weather.

Aft cabins have definitely grown in popularity. So why should you consider a Carver? Because we have more models than any other builder from 44 to 60 feet in length.

440 AFT CABIN

When you want to get together outdoors, the 440 Aft Cabin Motor Yacht's roomy aft deck with full enclosure provides protection from the sun and bad weather. There's also plenty of room for deck chairs and tables. And when you add the available wet bar, refrigerator and icemaker, you'll never have to go below for refreshments. (Right) The spacious salon offers plenty of comfortable seating, an optional lower helm with full instrumentation and large windows with excellent visibility.

390 Aft Cabin Motor Yacht provides the luxury of two private staterooms with home-like comfort and privacy. There's also two head compartments with stall showers. The aft deck with enclosure is perfect for entertaining, and includes an available wet bar with storage, refrigerator and ice maker.

Helm console provides full VDO instrumentation and plenty of space for additional electronic gear. A slide/swivel pedestal seat provides comfort for the helmsman.

Roomy salon features large windows for enhanced visibility, plenty of comfortable seating and color-coordinated carpeting, draperies and upholstery.

Galley offers plenty of counter space, three-burner electric stove and double-door refrigerator/freezer. Parquet floor adds a rich look to the environment.

Dinette is adjacent to the galley and converts to a double berth for extra sleeping capacity.

THE NEW CARVER 440.

*THE TRUE MEASURE OF
A MOTOR YACHT.*

 **MURRAY
YACHT
SALES**

*A MOTOR YACHT
THAT MEASURES UP TO
YOUR EXPECTATIONS.*

Ever since Carver pioneered the aft cabin design back in 1979, other boatbuilders have tried to copy this popular concept. But none have succeeded in finessing the aft cabin design to the level that Carver has.

Today, our new 440 Aft Cabin Motor Yacht clearly shows the benefits of our thirteen years of experience in building aft cabins. The 440 is Carver's new flagship, and its features and rich amenities clearly set it apart from other motor yachts in its class.

The 440 is an ideal yacht for entertaining family and friends. Topside, it offers a spacious command bridge with comfortable seating for seven. For the captain, there's a pedestal slide-valved pilot seat and a control console with full instrumentation.

For sunbathing and enjoying water sports, there's a thick foredeck sun lounge and a fiberglass swim platform with ladder to add extra convenience to your fun.

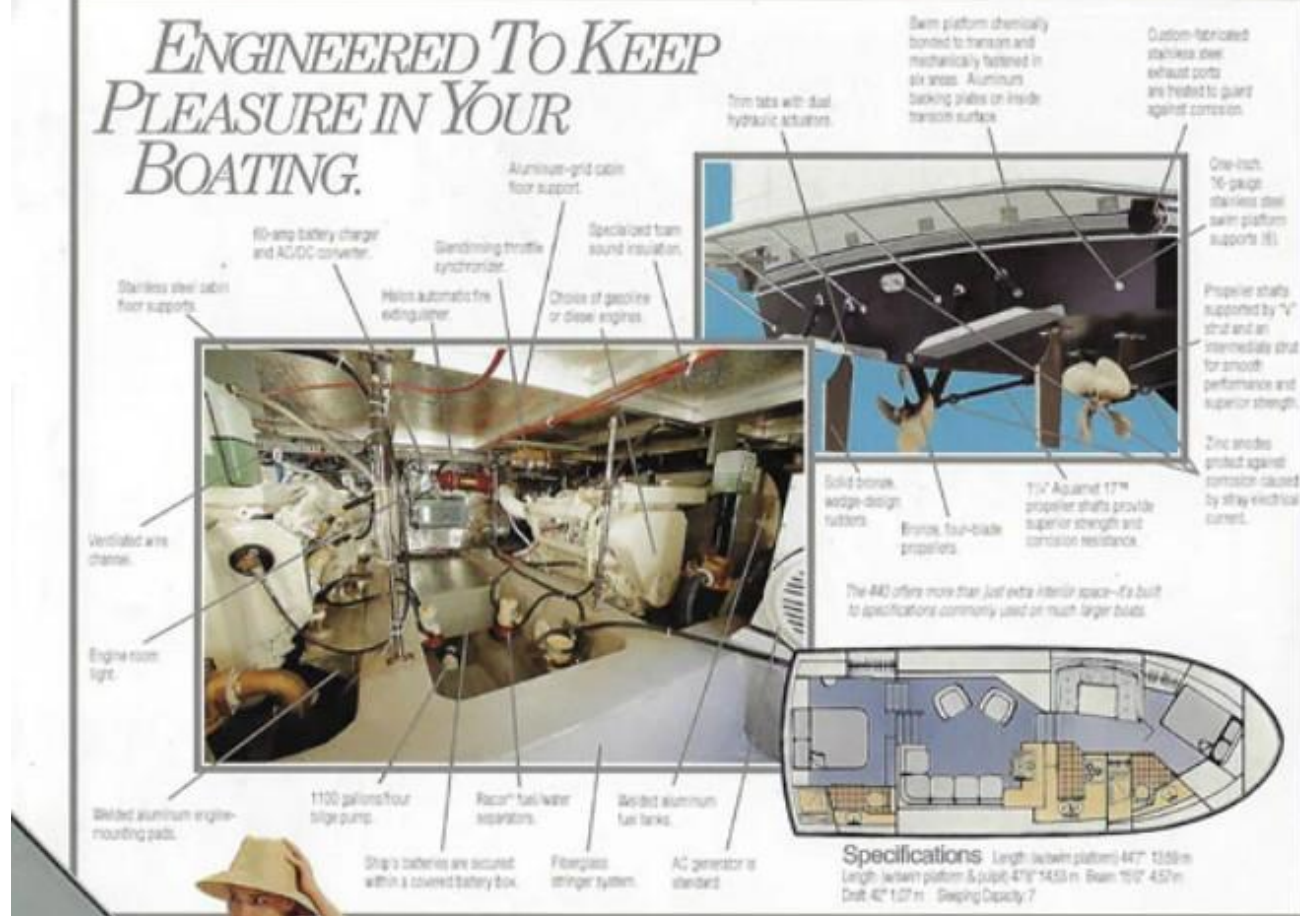

When you want to relax outdoors, the 440's roomy aft deck with full enclosure provides protection from the sun and bad weather. There's also plenty of room for deck chairs and tables. And when you add the available wet bar, refrigerator and ice maker, you'll never have to go below for refreshments.

Belowdecks, you'll be impressed with the 440's oversized salon and the open feeling of its interior. Everywhere there are examples of Carver's dedication to quality and attention to detail. Hand-finished teak cabinetry that feels satin smooth. Marine-grade furniture that's built to Carver's high standards in our own wood shop. And upholstery made of high-quality fabrics...precisely cut and fitted to detailed patterns.

Other cruising conveniences include two private staterooms with large double berths, and two head compartments with stall showers. A fully equipped galley with stove, microwave and double-door refrigerator/freezer makes it easy to prepare meals and snacks.

ENGINEERED TO KEEP PLEASURE IN YOUR BOATING.
