Description

This pristine 2025 53E-CB Marlow Explorer strikes an ideal balance between luxurious comfort and spirited adventure. Stepping aboard, the expansive cockpit welcomes you with generous seating, abundant storage, and ample space for effortless entertaining.

Entering the salon through sturdy aft doors, you're immediately greeted by the warmth and comfort of a true home on the water. This inviting space offers excellent storage throughout, including beneath the settees, ensuring a clean and organized interior.

Moving forward and ascending a few steps to port, you arrive in the pilothouse and galley area. A gourmet galley sits aft, thoughtfully designed for the onboard chef, while a spacious dining area forward provides the perfect setting for meals with family and friends. To starboard, a staircase leads down to the companionway and three beautifully appointed staterooms.

At the foot of the stairs, the layout unfolds with the forward VIP stateroom, a guest stateroom to starboard, and the full-beam master suite aft. The master features an en-suite head to starboard and direct access to the engine room through a watertight bulkhead, ensuring both convenience and safety. The VIP and port guest staterooms share a well-appointed head located along the port side of the companionway.

Returning to the Command Bridge, you're treated to an impressive 360° view of the vessel and surroundings. The helm is equipped with a robust suite of electronics and offers exceptional visibility whether cruising underway or relaxing at anchor in this climate-controlled space.

Powered by twin Volvo 900HP D13 engines and supported by twin Kohler generators, "Cheryl B" delivers reliable performance and peace of mind. She has been diligently maintained and stored in a climate-controlled shed during summer months.

Whether you envision leisurely sunset cruises along the Intracoastal or a bucket-list voyage to the Caribbean, this 2025 53E-CB Marlow Explorer is impeccably equipped and ready to take you there in style.

- Freedom Lift with carbon fiber chocks
- 15HP Lewmar thrusters (bow/stern)
- Garmin electronics suite
- Sonos integrated sound system
- Kohler generators (14Kw-75hrs and 21Kw-185hrs)
- Dual windlass
- Wing doors
- Forward boarding doors
- Engine room passthrough
- Folding radar arch (great loop ready)
- 50A Shore power receptacles on port and starboard bow
- Stainless steel dinghy chocks upper aft deck

Salon

Stepping into the salon from the cockpit through a set of double doors, you immediately appreciate the generous 17'3" beam that gives "Cheryl B" the presence and feel of a much larger yacht. The elegant teak and holly flooring runs the full length of the salon and continues seamlessly throughout the vessel, adding warmth and sophistication to the interior.

To port, two comfortable freestanding chairs create a welcoming seating area, complemented by a wine cooler and a 50" smart TV positioned aft for effortless entertainment. To starboard, an L-shaped settee occupies the forward section of the salon, paired with a stylish end table and a Sub-Zero beverage center aft, perfect for hosting guests or relaxing underway.

At the center of the room, a stunning high-gloss teak table serves as a striking focal point, completing this beautifully designed and inviting space.

- L shaped settee with built in storage to port
- 50" Samsung QLED smart TV port aft corner
- Subzero beverage center to starboard
- U-line wine cooler to port
- Oceanaire fly rollers on aft double doors
- High gloss teak and holly sole
- Upgraded ultra-leather upper walls
- Sonos integrated sound system

Galley/Dining

Moving forward from the salon and ascending three steps, you enter the beautifully designed Galley and Dining area. The galley features elegant Crème Marfil granite countertops, dual refrigerator/freezer combination units, a cooktop, oven, dishwasher, and an impressive amount of storage, perfect for preparing meals whether you're entertaining or embarking on extended voyages.

Just forward of the galley, a spacious U-shaped dining area comfortably seats 5–6 adults. From this custom dining table, guests can enjoy sweeping 360-degree views, an exceptional setting for meals with a backdrop of stunning vistas while at anchor.

For added convenience and flow, this area includes port and starboard access doors, providing effortless entry to the side decks and forward to the bow.

- Hi/Lo high gloss teak dining table
- 24" Miele cooktop
- 24" Miele speed oven/microwave combo
- Fisher Paykel dishwasher
- Disposal at sink
- (2) Subzero double drawer fridge/freezer combo
- Subzero beverage center to port
- 15" U-line ice maker under steps to CB

Deck/Cockpit

Boarding “Cheryl B” is effortless, with multiple access points designed for convenience. You can step aboard from the swim platform, enter through the boarding gates on either side of the cockpit, or board forward via the forward boarding doors aft of the Portuguese bridge on both port and starboard sides.

From the swim platform, wide steps on either side lead you up to the cockpit, providing a smooth and secure transition to the main deck. The tender is carried on a hydraulic Freedom Lift, allowing for quick, easy launching and retrieval, perfect for hassle-free exploration wherever your journey takes you. With the flexibility of storing the tender on the upper aft deck via the davit and stainless-steel chocks, you can be sure the versatility and functionality is unmatched no matter your mission.

- Cockpit wing doors
- Upgraded oval exterior stainless-steel package
- Forward boarding doors
- Awlgrip painted cap rails
- Moondust non-skid decking
- Dual windlass
- Extended hardtop
- Custom awning on the upper aft deck
- (4) underwater lights
- Starboard pop-out docking station
- LED lighting package
- Oyster white awlgrip painted hull

Engine/Mechanical

- Air-conditioned engine room
- Twin Volvo D13 12.8L 900HP engines with Volvo main engine warranty through 1/17/27
- CMC Zero Speed stabilizers
- Bluewater desalinator
- Fireboy fire suppression system
- AGM batteries
- Twin Kohler generators - 14KW/21KW (75 hrs port, 185 hrs starboard)
- 15HP Lewmar thrusters
- Centralized sea chest system
- Dual Raycor fuel filters for both engines and generators
- Redundant fresh water pumps

Command Bridge

The fully enclosed Command Bridge aboard “Cheryl B” offers exceptional 360-degree visibility, providing outstanding sight lines for confident navigation in any conditions. Thoughtfully equipped with a comprehensive Garmin electronics suite, including multifunction displays, autopilot, Yacht Controller, VHF radios, and an array of integrated systems. This helm is designed to meet the needs of even the most discerning captain.

Two powder-coated Stidd captain’s chairs are positioned at the helm, offering superior comfort with all controls and instrumentation within easy reach. A U-Line refrigerator/ice maker combo is conveniently located in the port aft corner of the Command Bridge, ensuring refreshments are always close at hand.

To starboard, a spacious settee paired with a custom hi/lo teak table creates an inviting lounge area. The table easily converts the space into an additional berth, enhancing the versatility of this beautifully appointed command-level retreat.

- 22” Garmin MFDs
- (3) independently controlled searchlights
- Overhead breaker panel
- Garmin autopilot
- Pop out wing station
- (2) Stidd powder coated helm chairs
- Custom high gloss hi/lo table
- Upgraded electronic controls
- Wireless remote controller
- Charger/inverter
- Tank level indicator
- Seaview electric blinds (forward 3 windows)

Upper Aft Deck

The upper aft deck aboard “Cheryl B” is purpose-built for entertaining and outdoor enjoyment. Just aft of the Command Bridge on the forward starboard side, you’ll find a well-equipped refreshment center featuring a Sub-Zero refrigerator, sink, and Kenyon electric grill, perfect for preparing meals while taking in the view.

Continuing aft, the deck is outfitted with a telescoping davit for easy tender handling, along with a spacious dock box that provides excellent additional storage. The entire area is protected by a custom-made canvas top, elegantly supported by removable carbon fiber posts, ensuring shade and comfort while preserving the yacht’s sleek aesthetic.

- Subzero refrigerator
- Kenyon electric grill
- Spacious open deck
- Custom awning with removable carbon fiber poles
- Fresh water spigot
- Custom teak folding chairs (when tender not in use)
- 700lb Airtex davit

Electronics

- (3) ACR searchlights, (2) forward (1) aft
- (2) Garmin GPSMAP 8622
- Garmin GMR Fantom 56 6' array radar
- Garmin Autopilot
- Garmin AIS
- Garmin GXM54 satellite
- Garmin GSD 25 Premium sonar module
- Garmin VHF 315 marine radio
- Garmin GC 200 Marine cameras, (1) aft deck, (1) on mast looking aft, (1) under brow looking forward, (2) in engine room
- FLIR M232 thermal imaging camera
- GOST security system
- 15" Seawatch marine TV antenna
- SONOS ARC black integrated audio package
- AIEGAN high power dual band wifi extender
- MoFi Cellular device with integrated broadband router
- Starlink high performance flat panel
- CMC zero speed stabilizers
- Deep freezer in lazarette
- (2) 50A Glendenning cable masters at the stern
- (2) 50A power cord receptacles in the bow

Companionway

"Cheryl B" features a thoughtfully designed laundry area located just forward of the master stateroom entry, offering exceptional functionality and storage. This space is equipped with full-size GE washer and dryer units, and custom cabinetry for linens and detergents. Custom nesting doors provide smooth, unobstructed access to the appliances while maintaining a clean, seamless look when closed.

- GE washer
- GE dryer
- Off-white ultra-leather upper walls
- Custom storage cabinet

Master Stateroom

The full-beam master stateroom is a spacious and serene retreat, centered around a midship king-size berth with built-in nightstands on either side and additional storage drawers beneath. To starboard, the en-suite head offers convenience and privacy, thoughtfully integrated into the stateroom's layout.

Abundant storage is provided through two large mirrored, cedar-lined lockers and matching chest of drawers positioned to port and starboard. A full-height cedar-lined shoe locker to port offers even more dedicated organization. Generous opening portlights invite natural light and allow refreshing ocean breezes to flow through the space, enhancing the comfort and ambiance of this luxurious suite.

- Shoji screens
- Upgraded plush mattress
- Lighted Makeup mirror
- Full height mirror on head door
- Upgraded Tecma silence plus toilets
- Oversized opening stainless steel port lights
- Mirrored chest of drawers
- Cedar lined hanging lockers
- Upgraded adjustable sconces
- Oversized shower with towel storage locker
- Passthrough from Master stateroom to engine room
- 43' Samsung QLED smart TV

VIP Stateroom

The VIP stateroom features a spacious elevated centerline berth with ample storage below, complemented by convenient shelving to port and starboard for personal items. Mirrored hanging lockers on both sides provide generous wardrobe space, adding to the room's open and inviting feel. A well-appointed en-suite head to port ensures comfort and privacy, offering your guests a luxurious and fully accommodating retreat.

- Upgraded teak shiplap on hull sides
- Oversized stainless steel opening port light in head
- Upgraded plush mattress
- Overhead deck hatch with fly rollers and black out shade
- 32" Samsung QLED smart TV

Starboard Guest Stateroom

The starboard guest stateroom features two comfortable side-by-side berths and offers ample storage throughout the space. A built-in bookshelf along the upper aft bulkhead provides convenient room for personal items, while a hanging locker forward of the starboard berth adds practical wardrobe storage. This well-designed stateroom ensures guests have a cozy and functional place to relax.

- 27" LED TV
- Upgraded teak shiplap hull sides
- Abundant storage forward and overhead of bunks
- Overhead speakers
- Cedar lined hanging locker

Exclusions

- Owner's personal belongings

Tender

- Zar ZF 2 W/ Suzuki DF60A outboard motor
