## Description

This 53 Astondoa express sport yacht was built by the renowned Spanish yard in 2007. The Astondoa yard has been building fine quality yachts for three generations, with their first launch dating back to 1916 and in this time, they have learned a thing or two. Astondoa is most notably known for their exceptional craftsmanship and their forward-thinking European styling. The 53 has excellent wide-open spaces throughout, without having to rely on higher maintenance pod drives to accomplish the goal. In this model they created an excellent open concept that affords three large staterooms and an elegantly designed interior and places them in a hull keen on performance and capable of over 30 knots. This specific yacht has been well cared for and is extremely clean after seeing constant and numerous upgrades by the owner. She is eagerly awaiting your inspection and a new home.

## Information & Features

### MAN R6-800CRM (Engine 1)

Engine Type:	<b>Inboard</b>	Power:	<b>800 hp</b>
Engine Hours:	<b>679</b>		
Drive Type:	<b>V Drive</b>
