- Yanmar 3GM30FC fresh water cooled, 3 cylinder, 27 hp diesel engine w/80 amp alternator and Racor fuel filter.
- Cockpit mounted Yanmar "B" type panel w/tachometer, push button starting, alarms for oil pressure, water temp., and battery charging.
- Martec two-bladed bronze folding propellor.
- Bronze shaft strut with cutlass bearing.
- 1" SS propellor shaft
- Edson engine throttle controls.
- 1" lead lined engine box insulation
- Muffler w/engine exhaust hose.
- Balanced rudder blade of unidirectional E-glass w/custom molded GRP shaft turning on two aligned bearings.
- 40" Stainless wheel on Edson pedestal with Ritche compass, wheel hub brake, and stainless guardrail.
- Aluminum emergency tiller.

Plumbing

- 50 gallon fresh water tank in single baffled polyurethane tank under starboard settee berth.
- H&C pressure water system w/6 gal. water heater.
- 27 gallon fuel capacity in aluminum tank below cockpit sole.
- Fuel gauge mounted in cockpit engine panel recess.
- Henderson cockpit operated manual bilge pump.
- Rule automatic electric bilge pump system w/float switch.
- Marelon double clamped seacocks and through hull fittings below waterline.

Deck Hardware

- Thurston companionway dodger with side curtains mounted in splash molding with storage bag.
- (2) Lewmar 40 STC, 2 speed self-tailing primary winches
- (2) Lewmar 16 STC self-tailing halyard winches

- (2) PVC winch handle holders
- (1) 10" & (1) 8" Lewmar lock-in single aluminum winch handles
- Harken 271 triple sheave organizers to P&S on cabin top
- (2) Lewmar "Superlock" double halyard stoppers to P&S
- 6:1 Mainsheet tackle system with Harken (2) 028 fiddle blocks 005 single and 045 single ratchet w/becket and cam fixed on centerline.
- Harken traveler system with 1595 car, 5' 1511 hi-beam track, (2) 1516 control ends.
- (2) 1.8m Harken hardcote anodized T-tracks with (2) 1997 Harken adjustable pin stop lead cars.
- (2) diamond padeyes outboard of cockpit with two standard Schaefer 0599 snatch blocks.
- Hall B-12 Quik-Vang.
- Schaefer Series 1100 headsail furling system w/control led aft through (3) ss lined bullseyes to Harken cam cleat mounted to port in the cockpit.
- Double vinyl coated lifelines to port and starboard.
- Double rail stainless steel bow pulpit & stern pushpit.
- Stainless stemhead with anchor roller
- (8) stainless steel double lifeline stanchions. With two standard boarding gates.
- (4) Suncor 8" Bluewater mooring cleats, (2) 8" Herreshoff style S.S. transom cleats
- Lewmar size 60 Ocean skylight hatch in forward cabin.
- Lewmar size 40 Ocean skylight hatch in main cabin.
- Lewmar size 10 Ocean skylight hatch in head.
- (4) Lewmar opening ports including (2) in forward cabin, (2) in cockpit. (4) fixed ports in main cabin.
- Three polypropylene mesh line bags.
- 2 Plastimo PL16926 main cabin dorade ventilators w/red or blue cowl interior finish
- Acrylic sliding companionway hatch with two part acrylic drop board and stainless inside/outside opening hasp.
- Plastic companionway slider rails.
- 4' teak flag staff & 3'x5' US yacht ensign commissioning flag w/socket welded to stern pulpit leg.
- Companionway ladder w/stainless frame & varnished teak treads w/non-skid.

Electrical

- Two deep cycle no maintenance gell cell batteries
- 3 Position battery switch
- Bass electrical panel w/circuit breakers.
- Navigation & steaming lights
- Bonding system
- (6) Imtra "Patty" chrome finished 10w halogen swiveling reading lamps.
- (2) combination red/white halogen dome lamps
- (1) red/white fluorescent lamp for the aft head
- KVH Prewire system in lieu of messengers with coaxial cable led from nav station to (a) forward cabin locker, (b) nav station to companionway instrument pod, (c) nav station to cockpit.

Mast & Rigging

- Aluminum mast w/double swept back spreaders, lazy jacks, internal conduit, steaming and anchor lights, tapped hole at masthead for large Windex.
- Below-deck ventilation holes milled into mast.
- (4) Schaefer mast mounted halyard blocks
- Aluminum mast collar w/boot and wedges.
- Aluminum boom w/8:1 internal purchase outhaul, vang lug attachment, stainless mainsheet bail, reef sheaves.
- Stainless 1x19 wire rigging w/Navtec turnbuckles.
- Hall Rigging Co. running rigging & halyard package.
- Sailtec hydraulic backstay adjuster.

Interior

- Interior finished with varnished teak trim & off-white bulkheads with varnished teak & holly cabin sole.
- Choice of nylon interior fabric colors.

Forward Owner Cabin

- 6'6" forward V-berth
