

HYLAS 46

THE INTELLIGENT CHOICE

Designed by German Frers / Manufactured by Queen Long Marine

Hylas

Form and function combine with the keen eye and steady hand of renowned designer German Friess to produce this "must-see" cruising yacht. A true watertight collision bulkhead forward and aft define the 46 as a serious offshore yacht. Step below into a world of refined elegance, beautifully hand-finished teak furniture, splendid totally private comfort for two couples, plus three additional guests. The Hylas 46 sparkles with a confident profile, a robust and modern sailplan, and a generous beam that carries well aft to provide both excellent stability and more interior volume than other yachts, all in just 46 feet. This may be all the boat you'll ever need!
