## Description

### 2019 Sea Ray Sundancer 350 Coupe

\*Preliminary photos - First display photo is actual boat with stock images of interior. Additional photos and video to follow  
Clean, low-hour, well-equipped, and a really strong fit for West Coast cruising, this 2019 Sea Ray Sundancer 350 Coupe is one of the better all around boats in this size range.

She's powered by twin MerCruiser 6.2L MPI ECT Bravo III 350 HP gas stern drives with just 295 hours, and she is optioned very well : Axius joystick docking, Kohler generator, inverter, reverse-cycle heat and air conditioning, radar, autopilot, and a tender included in the sale.

The 350 Coupe is a great layout. You get the protection of a hardtop and enclosed helm for our weather, but it still feels open and social thanks to the large sunroof overhead and the open cockpit design. It's a boat that works equally well for a weekend away, a day cruise with friends, or a night tied up at the dock.

For a boat with this much volume, joystick docking is a big advantage. It takes a lot of the work and stress out of close-quarters maneuvering and makes this size of boat feel easy moving around the dock.

#### Highlights

- **Twin MerCruiser 6.2L MPI ECT Bravo III gas stern drives**
- **350 HP each**
- **295 hours**
- **Axius joystick docking**

#### Cockpit and Deck

The cockpit is set up the way people actually use these boats. Good seating, wet bar, grill, sink, fridge, easy access to the swim platform, and a layout that feels comfortable without wasting space. The hardtop, enclosed helm, and retractable sunshade make it easy to use in a wide range of conditions.

#### Interior

Below, the boat has a warm, modern Sea Ray feel with a bright cabin, large hullside windows, and a practical layout. There's a forward island berth, convertible salon seating, and a mid-cabin berth, along with a proper galley featuring a 2-burner cooktop, microwave, fridge, and good storage. The head is a VacuFlush freshwater head with a separate shower area.
