Description

2018 KingFisher 2725 Weekender

****Price adjustment – Bring your offers, this is the owners 3rd boat and has no room for it.

**Trailer can be added for additional \$7500 **

Would consider partial trade for a small runabout boat

Clean, local, one-owner 2018 KingFisher 2725 Weekender with under 500 hours on twin Yamaha 150HP outboards.

Finished in black and grey, this is a well-kept boat with a strong setup for the coast. KingFishers have a great following for good reason. They are versatile, they hold their value well, and they suit buyers who want one boat that can fish hard, cruise comfortably, and handle our west coast conditions.

Set up with a 7' x 7' cockpit, rear auxiliary steering station, enclosed head, spacious V-berth, dinette, Espar diesel heater / defrost kit, factory electric anchor winch, Raymarine navigation / depth sounder, and remote spotlight.

Factory options include the Aurora All Weather Package, Dockside Package, BEP 3-battery management system, additional 12V power point with dual USB outlet, stainless cockpit transom rail, and colour-matched visor and roof cap.

The big-ticket maintenance has already been handled with fresh bottom paint and a full service just completed on the engines, so the boat is turnkey and ready for the season.

If you've been looking for a clean 2725 Weekender with known ownership, low hours, and the right gear already on board, this is a very solid example.
